Fresh Seeds from the Harris Seed Farm

THEY HAVE LIFE, VIGOR AND PEP, and are so carefully bred that they produce the best quality of vegetables and flowers instead of the inferior specimens so often resulting from the use of ordinary seeds.

Harris' seeds are raised on Moreton Farm and other farms near Rochester, close to Lake Ontario and are therefore **Northern-Grown** which insures earliness so essential to success with tomatoes, peppers, melons, etc.

A Garden of Beautiful Flowers and Delicious Vegetables

You can raise delicious fresh peas, tender beets, the sweetest sweet corn and many other vegetables that are really delicacies when used fresh out of the garden. Flowers, too, are easily raised and give much pleasure to the whole family and to many friends to whom it is a privilege to give them.

True descriptions, the result of personal observations in our own trial-grounds and of growing crops. The following varieties can be found in our General Retail Catalogue. You will be especially interested in the Varieties of Special Merit listed on pages 5 to 17 inclusive.

Some Vegetables of Quality

There is more difference between varieties in respect to quality than most people think. In the following collections are some varieties which we have found much superior to common kinds.

Collection of the Best Peas

The varieties named below if planted at the same time will give a constant succession of Peas from early to late.

Thomas Laxton. Early.
Hundredfold. Medium early.
Advancer. Medium late.
Dwarf Champion. Late.

COLLECTION No. 5

1/2 lb. of each kind of above Peas, 75 cts. postpaid. Will plant 4 rows 50 ft. long.

COLLECTION No. 6

1 lb. of each kind, \$1.10 postpaid. Will plant 4 rows 100 ft. long.

We have many other varieties of excellent Peas, each suited to particular requirements, and each among the best in their class. See our General Retail Catalogue, pages 39 and 40.

Collection No. 4, \$1 Postpaid

A collection of one packet each of the following Choice Varieties of Vegetables, enough for a garden 25 by 50 feet for \$1.00, postpaid. (Would cost \$1.60 at regular catalogue prices.)

Beet, Detroit Dark Red. Early.
Beet, Long Season. Late.
Bean, Webber Wax, Early.
Bean, Full Measure. Early.
Bean, Scotia. Late.

Carrot, Coreless.
Cucumber, Harris' Perfection.
Sweet Corn, Buttercup.
Sweet Corn, Bantam Evergreen.
Lettuce, Prizehead.

Radish, Early Scarlet Globe.
Parsnip, Harris' Model.
Salsify or Vegetable Oyster.
Summer Squash, Italian Vegetable Marrow.

Winter Squash, Quality.
Spinach, Harris' Big Crop.
Swiss Chard, Lucullus.
Turnip, Macomber.

For other carefully selected Vegetable Collections, see page 18 of our general catalogue

Seeds Make a Difference!

Last year I sent my order for garden and flower seed to your firm. Both my garden and flowers were the wonder and admiration of my friends and neighbors. The quality of my vegetables was so superior and my flowers so fine they all wanted to know where I bought my seeds and wanted to try them next year, so I am sending you a few names for your catalogue.—MRS. FRANCIS B. MOON, Grass Lake, Mich.

GIVE HARRIS' SEEDS A TRIAL—THEY WILL PLEASE YOU

If you have lost or mislaid our catalogue which was sent you sometime ago, we shall be glad to send you another if you wish it

JOSEPH HARRIS CO., Coldwater, New York

Harris' Finest Pansies

Harris' All-Summer Sweet Pea Mixture

Three Good Reasons Why Harris' Flower Seeds Are the Best to Buy

HARRIS' FLOWER SEED means more to us than merely merchandise to sell. It means the happiness and joy that can be derived from the many interesting and beautiful flowers this seed represents. We, on Moreton Farm, are real lovers of flowers, and even if we did not pretend to sell a single packet of flower seed, we would still spend a great deal of time and money to have the finest selection of flowers possible. We look upon them as friends who bring us a great deal of pleasure and make life seem more worth while.

The second reason is that, situated as we are on a large farm and in the seed business, we are in an especially favorable position to try out the new varieties and the different strains in order to see which we like the best. We are after this information, both for our own pleasure and to pass along to you.

Third, our Flower Seed is subjected to the same rigorous tests for vitality as is our vegetable seed. Every lot of seed is thoroughly tested for germination before it is sent out to you, and if it does not come up to our high standard, we positively do not send it out.

Pansies

There are no better Pansies than Harris' Best Mixture, and for those who are partial to particular colors, we have a wonderful assortment of named varieties. You will find these on page 85 of our catalogue.

Harris' Best Mixture of Pansies are the largest and most handsome Pansies we can possibly obtain from the best European Pansy-grower. The immense flowers are full, round, of heavy texture and in a wide range of the best colors. Pkt. 25 cts.

Separate colors can usually be used to produce beautiful effects in the garden and in order to encourage you to try growing Pansies in clumps of separate colors, we are making a special offer of one regular packet each of the following varieties. They are all wonderfully large and beautiful flowers, and represent the highest type of Pansies. We are proud of them and want you to enjoy their beauty.

Special Pansy Offer. One packet each, Giant Frilled Purple, Giant Red Volean, and Giant White-Blotch for 85 cts. (regular price \$1.20).

Hardy Border Collection, 75c.

There is a great deal of pleasure in raising your own hardy perennial plants from seed. It is not difficult, as there are a great many varieties that can be easily raised from seed sown in the garden where the plants are to remain. We have chosen a selection of such varieties as will grow quickly and easily. They are all desirable kinds and in a good selection of colors. Our **Hardy Border Collection** contains one regular packet each of the following for 75 cts., together with our pamphlet telling how to raise hardy perennials from seed:

Anchusa italica, Dropmore Variety
Coreopsis lanceolata
Gaillardia, The Dazzler
Hollyhock, Radiant Mixture
Lychnis chalcidonica

Sweet William, Mixed Colors
Delphinium, Moreton Hybrids
Butterfly Delphinium, Dark Blue
Alyssum saxatile compactum
Lupinus polyphyllus, Mixed Colors

For other excellent varieties of hardy perennial seed and plants, see pages 94 to 100 in our catalogue.

Flower-Bed Collections

A Blue and Yellow Garden for only 75c.

As an aid in selecting flowers for a certain definite effect, we are offering a special assortment for a flower-bed of low-growing annuals in bright blue and yellow. This collection contains one regular packet each of the following varieties, and is enough to sow a bed of 50 to 75 square feet. 75c.

BLUE FLOWERS

Ageratum, Swanley Blue
Nemesia, Blue Gem
Lobelia, Crystal Palace Compacta
Tufted Pansy, Admiration

YELLOW FLOWERS

French Marigold, Golden Ball
Calendula, Lemon Queen
California Poppy, Golden West
Tufted Pansy, Yellow

A White and Red Garden for only 70c.

The following varieties will make a very bright showy bed of low-growing bright red and white flowers which can be arranged in many attractive ways. Will sow a bed of 50 to 75 square feet. One regular packet of each of the following for 70c.

WHITE FLOWERS

Sweet Alyssum
Candytuft, Giant-Snowed
Phlox, Dwarf Snowball
Lilliput Zinnia, White Gem

RED FLOWERS

Annual Pinks, Lucifer
Phlox, Dwarf Splendens
Lilliput Zinnia, Scarlet Gem
Poppy, American Legion

Harris' All-Summer Sweet Pea Mixture

Here is a splendid mixture of Sweet Peas that we make up especially for this offer. If you want a row of the best Sweet Peas that will bloom all summer, then sow our special 2-ounce package of All-Summer Mixture just as early as possible this spring. This will give you a row 40 to 50 feet long.

It is an especially made mixture of the best named varieties of both the early and late-flowering varieties. The mixture includes the following equal proportions of varieties, which will be found described on pages 88 and 89 of our catalogue: All White, Fair Maid, Hercules, Harmony, Glitters, Blue-Bird, Edna May, Royal Purple, Royal Scot, Crimson King, New Miriam Beaver, Mrs. Tom Jones, and Sincerity.

This will give you a wonderful selection of blooms in the best colors all during the season from early until late. Our Special 2-oz. pkg. for \$1; or 1 oz. for 60 cts.

Harris' Double Giant Zinnias

Harris' Special Sunset Mixture

Harris' Double Giant Zinnias are, without a doubt, the finest Zinnias grown. The flowers are immense, on tall plants, with long stems, and in many brilliant colors. We have a new Sunset Mixture, made up especially for this folder, that is composed of all the choicest separate varieties mixed in such proportions as to make an especially bright-colored spot in your garden. They are most easy to grow from seed sown outdoors, and ours is all fresh, new-crop seed of high germination. Pkt. 15 cts.; 1/4oz. 95 cts.; oz. \$3.40.

Harris' Superb Gladiolus

We make a specialty of growing the best varieties of Gladiolus. Our selection of varieties includes only the choicest kinds, as we are continually discarding the older sorts and replacing them with the better and newer kinds. All of the newest introductions are carefully tried out, so that only those really worth while are offered. On page 101 of our catalogue we offer the best Gladiolus grown.

Our bulbs are all chemically treated as a preventive against "hard rot," and are all good, large, well-ripened, clean bulbs, grown from fresh, vigorous stock.

Harris' First Prize Gladiolus Assortment, \$3.50

As a special inducement to get you to try our fine-quality bulbs, we offer you a special assortment of 50 good blooming-size bulbs representing ten of the best colors in the leading varieties for \$3.50 postpaid. They are kinds that would take first prize in their color class at most any flower show.

In order to assure you of getting the 10 varieties, each assortment is especially mixed and contains 5 bulbs each of the following varieties. The descriptions can be found on pages 101 and 102 of our catalogue.

Louise, Lavender.
Golden Measure, Yellow.

Liebesfeuer, Scarlet.
Odin, Salmon

Loveliness, Cream.
Evelyn Kirtland, Pink.

Albania, White.
Anna Eberius, Purple.

Crimson Glow, Dark red.
E. J. Shaylor, Rose.

Harris' Finest Primulinus

There are no prettier flowers in the Gladiolus family than some of the new varieties of Primulinus. Although the beautiful hooded flowers are not quite as large, they are more graceful, and are in a range of delicate shades not found in the regular Gladiolus varieties. On page 103 of our catalogue you will find the finest kinds described. If you are not already acquainted with them, be sure and plant this **Special Collection** of 1 bulb each of the following 10 finest varieties for \$1.00 (regular price \$1.32).

Orange Queen
Jewel

Topaz
Ming Toy

Alice Tiplady
Aristotle

Darwin
Firefly

Souvenir
Buddy

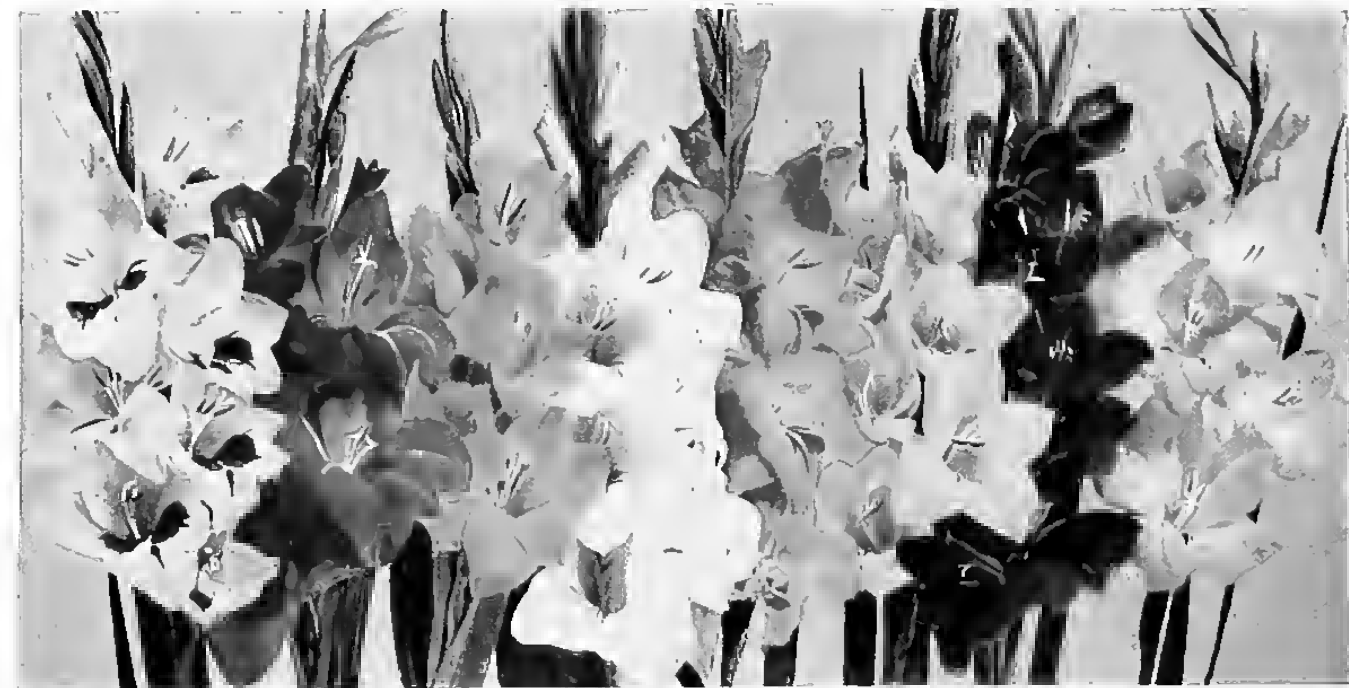

Order simply, PRIMULINUS COLLECTION, \$1.00

Want to express my appreciation of the Gladiolus bulbs received this spring. They are beautiful beyond our expectations. You may recall that we ordered only the small bulbs.—GEORGE L. PECK, Angola, N. Y.

I used your wonderful Zinnia seed last year and they certainly were far ahead of any I ever saw. I have given your name to many of my friends.—MRS. W. H. SCHMALHAUSEN, Olney, Ills.

I wish to thank you for the fine service you have given me this spring. You were as courteous and prompt with a 25-cent order as you were with a \$5 order.—MRS. E. L. PARTRIDGE, Worcester, N. Y.

Your plants and bulbs are always the very best.—MRS. ANNIE J. MYERS, Mill Hall, Pa.

Harris' First Prize Gladiolus Assortment

JOSEPH HARRIS COMPANY, Coldwater, N. Y.

A Superb Lawn from Harris' Superfine Seed

THERE is nothing more important about starting or renewing a lawn than the quality of the seed used. So much of the so-called lawn grass seed is made up of inferior grasses and many weed seeds that everyone should be most careful to get only the very best.

Harris' Superfine Lawn Seed is made up of the very cleanest and purest seed obtainable; no coarse grasses are used. It contains only the kinds best suited to make the lawn fine, thick and lasting—nothing to cheapen it. It is the most expensive seed and the **best**.

PRICES OF HARRIS' SUPERFINE FARM GRASS SEED

1 lb., enough for 400 square feet.....	\$0 55	10 lbs., enough for 4,000 square feet.....	\$4 80
5 lbs., enough for 2,000 square feet.....	2 50	25 lbs., enough for 10,000 square feet.....	11 25
Each additional pound		\$0 45
